## HOW IT BEGAN...

The Galveston Regional Chamber of Commerce Board of Directors recognized an important fact: our organization is not represented by our younger generation. This sparked Fred Raschke, 2010 Board Chair, and President Gina Spagnola to create a committee dedicated to gathering fresh ideas about engaging young professionals. Thus, the Out-of-the-Box Committee was born. Their purpose simply stated: *To educate, develop and harness the energy of our next generation business leaders and to identify current and future issues to be addressed by the Chamber.*

## WHAT IT IS...

The C-Crewe, short for Chamber Crewe, developed after only a few short meetings of the Out-of-the-Box Committee. The C-Crewe's objective became to engage professionals under forty in the Galveston business community, as well as the Chamber of Commerce. By providing events tailored for their needs and interests, this new age group will see first hand the function and importance of membership with the Galveston Regional Chamber of Commerce. Additionally, as the group grows in size, so will their attendance and participation at Chamber functions.
